

## Pest Prevention Intake Procedure

### ○ Pre-Move-In Questionnaire

#### ▪ Personal History:

- Have you experienced any bed bug or roach infestations in your previous residence or places where you spend time at?
- Do you have any known allergies to pesticides or chemicals used in pest control?

#### ▪ Belongings:

- Do you have any items that might have been exposed to pests?
- Are you aware of any visible signs of pests on your belongings? Please check to confirm.
- Participant agrees to avoid locations known to have pest infestations.

### ○ Inspection of Personal Belongings\*\*

#### ▪ **All items will be placed in a portable heating chamber as an added precaution.**

#### • Clothing and Linens

- All clothing and linens should be **washed and dried on high heat before** moving in.

#### • Furniture and Bedding

- The home is fully furnished, outside furniture is not allowed. One “bed in a bag” comforter set is provided and yours to keep.

#### • Luggage and Boxes

- Inspection outside the home will occur to look for signs of live insects, eggs, droppings and treated for bedbugs and roaches.
